DESIGNED FOR HUMAN PERFORMANCE

# RH LOGIC SILVER

Silver embodies modernity, innovation and high quality, just like RH Logic Silver. The sleek silver finish adds a trendy, almost futuristic ambiance to your workspace.

RH Logic Silver - Elevate your work experience with the perfect harmony of comfort, ergonomics and sustainability in a sleek silver metal finish. Our groundbreaking office chair redefines the modern workplace, combining detail-oriented design and commitment to quality for the apex of comfort and functionality.

PERFORMANCE • DESIGNED FOR HUMAN

# RH LOGIC SILVER

Discover a chair crafted with eco-friendly materials and a dedication to minimal environmental impact. Featuring recyclable components and support for recycling initiatives, our chair symbolizes sustainability and reflects responsible consumption.

## Where form meets function in style.

Enhance your workspace with RH Logic Silver, featuring all-metal silver parts that effortlessly complement diverse fabrics and colours. The RH Logic 200/220 exemplifies superior ergonomics, lasting quality and sustainable design. Easily extend your chair's life by replacing worn components, eliminating the need for a new purchase.

# RH LOGIC SILVER

## Personalized Comfort

RH Logic Silver is an investment in your health, style and the environment. Transform your workspace with a chair that seamlessly merges ergonomic precision with timeless design. Empower yourself with personalized comfort through a variety of adjustment options tailored to your individual needs. With user-friendly controls, our chair effortlessly adapts to your preferences, providing ergonomic support for every movement and seating position.

DESIGNED FOR HUMAN PERFORMANCE.
